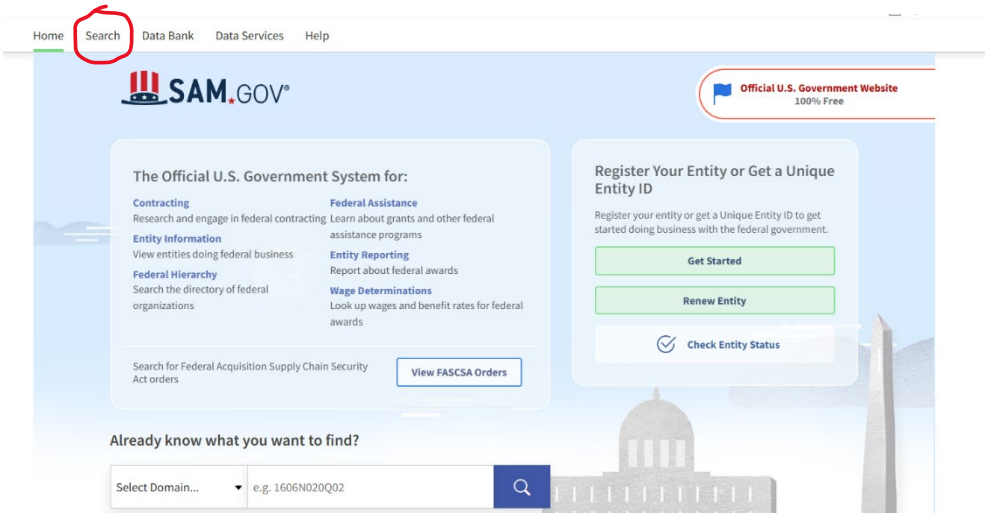
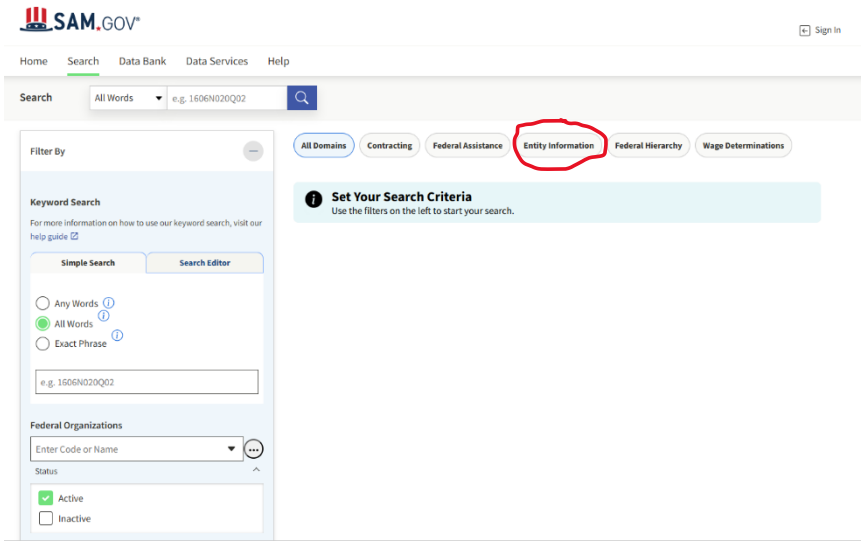
Annual Sam.gov check is required by 2 CFR 200.214 and 200.332. The IHCDA Policy Procedure Manual in Section 2.3 – Subaward Contract & Forms, it states "Subrecipients must annually review their contractors against the Federal contractor debarment list located at Sam.gov. If a contractor is listed on the Excluded Parties List, subrecipients must not enter into a contract for goods or services paid with Federal funds."

Instructions to check debarment list:

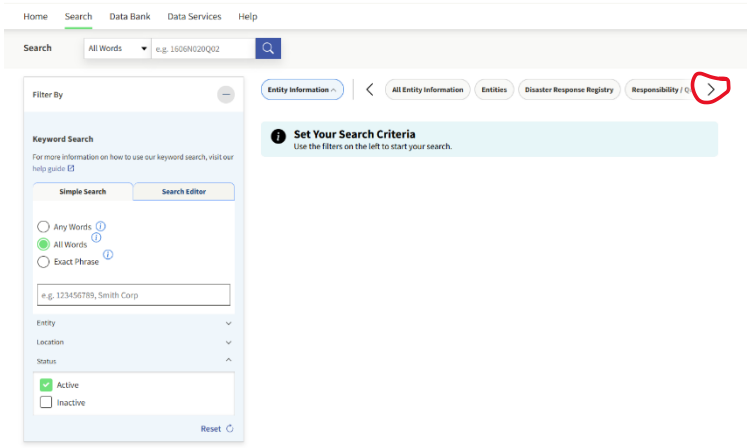
Go to Sam.gov website -below is the home page. Click Search



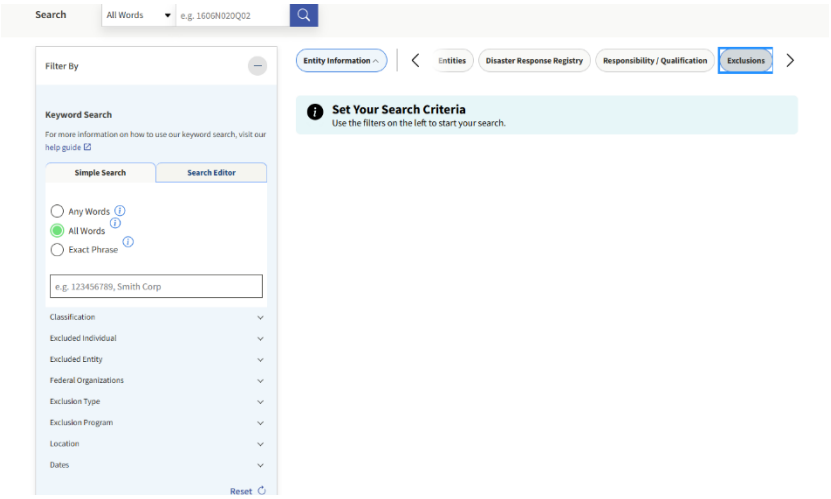
Click on Entity Information



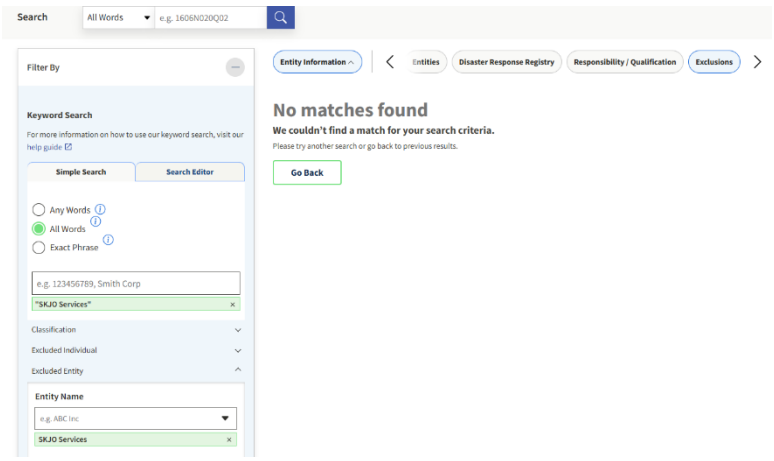
Scroll over with right arrow to Exclusions and click



Below is the screen to search the Excluded list. It offers various ways to search.



This shows a search under all words. This is what it will look like if the contractor is not on Excluded List (not debarred).



Screenshot the above showing your search criteria (company name etc.) and keep for your records.
